Real Moments & Timeless Memories.

AUCKLAND, HAMILTON & NZ WEDDING
PHOTOGRAPHER

Dear Bride & Groom

Your wedding day isn't about stiff poses or forced smiles. It's about connection, emotion, and the moments you didn't even realise were happening.

As a candid wedding photography team, our approach is simple: blend in, observe, and capture genuine moments as they naturally occur. The result is authentic storytelling and timeless imagery you'll love just as much in 30 years as you do today.

Our goal is to tell your story in a way that feels effortless and true. With a calm, unobtrusive presence, we allow moments to unfold naturally while ensuring every image is crafted with care. The result is a collection of timeless photographs that reflect genuine connection, real emotion, and memories you'll return to for generations.

Sami is an amazing professional — talented, dedicated, and such a lovely person to be around. He made us feel so comfortable throughout the whole day, and the photos turned out absolutely stunning. We're completely in love with them!

I had a gorgeous Elopement shoot with SR Photography at Piha beach. It was a lovely experience and lots of posing advice was given. I felt comfortable straight away which translated well into the photos. Highly recommend
